

LIVINGSTON TOURISM BUSINESS IMPROVEMENT DISTRICT (TBID) GRANT REPORT

The Livingston Tourism Business Improvement District (TBID)'s goal is to support events, conventions, festivals, tournaments and sporting events that make Livingston a desired destination and enhance Livingston's cultural assets and economy.

If you received a grant from TBID, you are required to submit a report within 30 days of the completion of the event or project the grant supported. Failure to do so will disqualify the organization from future funding.

Requirement Checklist:

- Number of guests at event, adding any relevant details about demographic or region drawn from.
- Copies of receipts or other evidence of each line item of the originally proposed budget, noting any changes in expenses if different than original grant proposal.
- Screen shots or other copies of marketing that includes: TBID logo, TBID support cited, explorelivingstonmt.com, and the words Livingston, Montana.
- Funds raised or donated, if relevant.
- What you learned and future plans for event improvements/changes.

All funded events must comply with local public health and safety regulations, and may not discriminate based on race, gender or religion. Failure to comply with the grant criteria as listed in original application may require full repayment by the awarded organization of the grant. Award money is not retroactive (marketing/promotions/obligations/ other contracted services for the event prior to the grant awarded aren't included). Regulations and policies of grants are at the sole discretion of the TBID Board.
